COMMUNITY BLOOD & WINTER CARE PACKAGE DRIVE

SATURDAY, AUGUST 29TH
8 AM – 2 PM

East Toledo Senior Activity Center,
1001 White St., Toledo, OH 43605

One Donation Can Save a Life. Another Can Warm One.

Join Councilwomen Dr. Brittany Jones and Theresa Morris, in partnership with the S.C.O.T.T Organization, for a community blood drive. Donated blood will serve to help those with sickle cell and increase the supply of different blood types for all members of the community.

In addition, we are seeking donations toward special winter care packages for sickle cell patients at Nationwide and ProMedica. Acceptable items include School Supplies, Winter Clothes (Hats, Gloves, Scarves, Socks, Coats, etc.), Epson Salts, Blankets, Heating Pads, and more.

1 blood donation saves 3 lives. Donate today!
