

## About STOPit

# Empowering you with safety technologies for healthier working environment.

Use the STOPit mobile app to anonymously report concerns to your company. STOPit is a 100% anonymous platform and provides a safe and trusted communication channel that is key to addressing reluctance to come forward.

With STOPit Messenger, you can have real-time, TWO-way, anonymous dialog with company resources.

## Report on Concerns Such As:

- Hostile Work Environment
- Discrimination
- Harassment
- Ethics Issues
- Compliance Risk
- Mental Health Issues
- Domestic Violence
- Basic Needs insecurities

## STOPit Messenger

- With STOPit Messenger, you can have real-time, tow-way, anonymous dialog with company resources.
- This allows you to share and the company to gather additional information to provide the appropriate resources or engage in the proper investigation to resolve the report.

**Awareness is Step 1 towards mitigation: STOPit helps employers and employees**

- Promote a "Speak Up" Work Culture
- Address Negative Feelings Early
- Detect/Deter Serious Incidents
- Prevent Lawsuits/Risk Mitigation
- Maintain Incident Documentation
- Improve Employee Retention
